Week 1 English

- [Activity 1](#) Be a Storyteller
In this activity, your child will use pictures from a book to retell a story.
- [Activity 2](#) Beginning Sounds Picture Collage
In this activity, your child will practice recognizing beginning sounds in words and create a collage of pictures that start with the same sound.
- [Activity 3](#) Buried Letters
In this activity, your child will practice naming letters and their associated sounds through a game of finding buried letters. Working with letters helps children learn their names and sounds, which are important pre-reading skills.

Additional Resources

- [Alphabet Chant](#)
- [Fluency & Fitness®](#)
- [Learn with Homer](#)
- [ABCya](#)
- [Starfall](#)

Week 1- Español

- [Activity 1](#) ¡Escribamos una historia!
En esta actividad, su hijo creará una historia imaginaria y le ayudará a escribir oraciones y dibujar ilustraciones sobre ella.
- [Activity 2](#) ¡Lanza la bolsita!
Su hijo/a nombrará las letras del alfabeto y reconocerá palabras que empiezan con esas letras, mientras lanzan una bolsita de arroz en una bandeja para pastelitos.
- [Activity 3](#) Pulgares hacia arriba!
Su hijo/a nombrará las letras del alfabeto y reconocerá palabras que empiezan con esas letras, mientras lanzan una bolsita de arroz en una bandeja para pastelitos.

Week 1 Math- English

- [Activity 1](#) Block Learning
In this activity, your child will use interlocking blocks to begin to understand measurement and compare how long or tall common household objects are.
- [Activity 2](#) Build It Like Me
This building activity encourages children to recognize shapes and to use math-specific vocabulary to talk about a structure they are building.
- [Activity 3](#) Calendar Count
Using the family/household calendar, your child will count the number of days until a special event. Your child will also begin to recognize that weeks and months are numbered sets of days.
