

Using MISD Chromebooks at Home (grades 3-12)

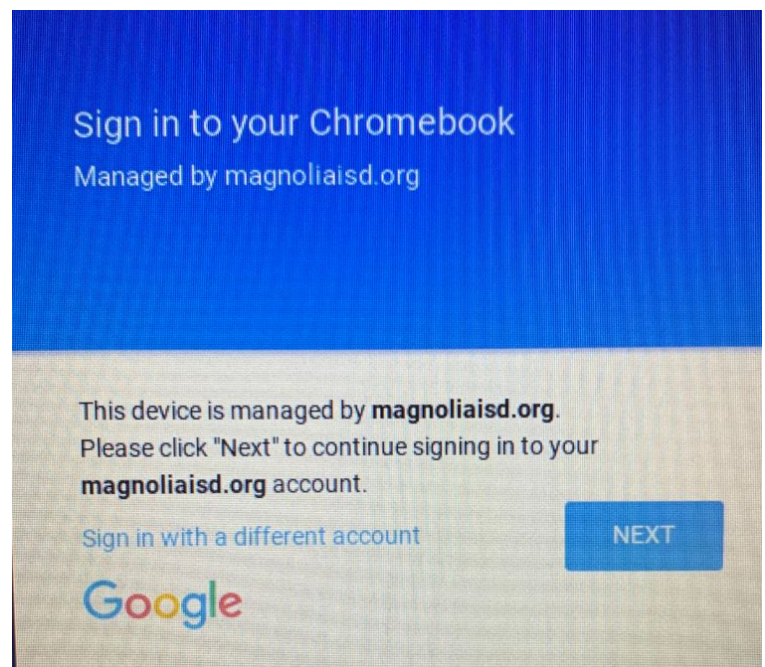

Open the Chromebook and Power On. When this screen pops up, select your home wifi network.

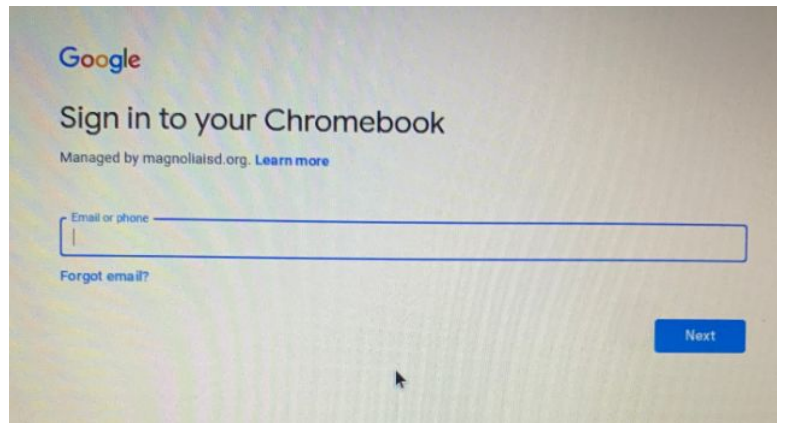

Enter your home wifi password.

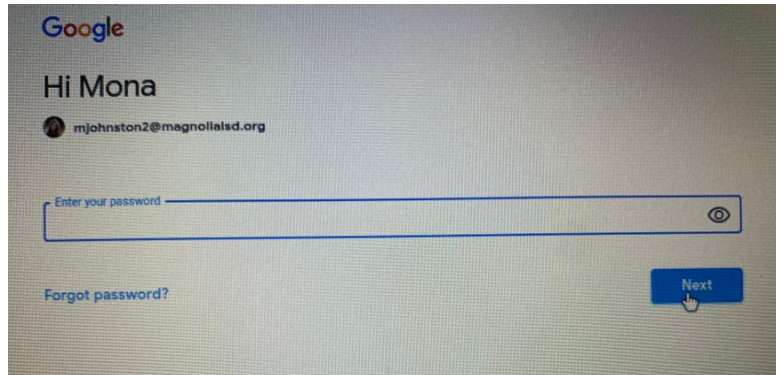

When this screen pops up, select "Sign in with a different account" for grades 3-12.

Your child will enter his/her MISD email address and click next.

Your child will enter their MISD password and click Next.

Your child can now login to ClassLink by choosing "Sign in with Google".
