Reading:

Read, Read, and Read Some More!

Reading is the most beneficial thing your child can do this summer. We encourage students to read a variety of texts including novels, short stories, magazines, graphic novels, articles, and poems. Reading resources can be accessed from the following locations:

Log into ClassLink and access the Ed platform.
Click on the tab at the bottom for Leveled Text Library.
Choose a text that interests you. Click Open.
Read the article.
Discuss the article's content with a friend or family member.

OR
Log into ClassLink and access the Ed platform.
Click on the tab at the bottom for "Current Events."
Choose a news or media outlet that interests you. Click Open.
Browse through the page and find an article to read.
Read the article.
Discuss the article's content with a friend or family member.

Access Digital Content from the Montgomery County Memorial Library System

Apply Online

You can apply online for an Online Access Card. After submitting your completed form, you will receive an email with your card number within 2 business days. This card is for digital access to our electronic content only. Students will have access to eAudiobooks, eMagazines, and eBooks, and research databases. The Online Access card **expires after 1 year**.

Participate in a Summer Reading Challenge

CommonLit's Summer Reading Challenge will begin on June 1, 2020 and will provide participating parents and their children with free, high-interest reading lists curated by former teachers. Students can easily complete each lesson on CommonLit.org and will be eligible for a certificate of participation at the end of the summer.

How to Participate:

Interested in participating?

1. Go to https://www.commonlit.org/en/parents_and_guardians
2. Scroll down to the section titled "Sign your child up for CommonLit's Summer Reading Challenge"
3. Enter your email address and click "sign up". Once you've signed up, you'll receive an email from the CommonLit team with additional information and resources. Please check your spam if you do not receive an email from CommonLit.

Math:

Science:

For science summer enrichment, we are using an online educational game from Legends of Learning called Awakening to assist students in their understanding of science concepts. Legends of Learning is a research-based educational gaming company whose games are proven to have a positive impact on student performance.

Here is a short video that shows an older student playing. [Video](#)
Students will need to use their school email to log in.

A graphic with a dark blue background and a stylized character on the right. The character is bald, has a goatee, and is wearing a red and blue outfit. The text is centered and reads: 'STUDENT INSTRUCTIONS', 'THIS ASSIGNMENT IS LIVE!', 'This assignment will be available to your students from: NOW until 07/31/2020', and a list of four instructions for students to play the assignment.
