Reading and Writing:

Reading

This week we will be reading "Surprise: Elephants Comfort Upset Friends." The focus will be using text evidence to determine key ideas. Click [here](#) to access the article.

As you are reading the article, consider the following:

1. Why is it beneficial for elephants to live in herds?
2. What is the main idea of this article?
3. Which details support the main idea?
4. Do you agree with the main idea of this article? Why or why not?

Lectura: Esta semana estaremos leyendo "Elefantes consuelan a sus amigos molestos". El enfoque será usar evidencia textual para determinar ideas clave. Haga clic [aquí](#) para acceder al artículo.

Mientras lee el artículo, considere lo siguiente:

1. ¿Por qué es beneficioso para los elefantes vivir en manadas?
2. ¿Cuál es la idea principal de este artículo?
3. ¿Qué detalles apoyan la idea principal?
4. ¿Estás de acuerdo con la idea principal de este artículo? ¿Por qué o por qué no?

Writing

Empathy is the ability to understand and share the feelings of another person. Why is empathy important and/or beneficial? Include at least 2-3 specific details from the text to support your response. Then choose one of the prompts below to share a personal experience that you or someone else showed empathy.

- A time I was bullied
- A time I failed and learned
- A favorite memory with a loved one

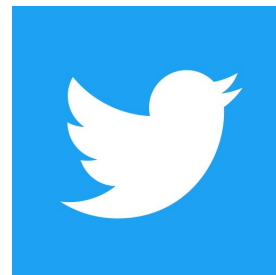

La empatía es la capacidad de comprender y compartir los sentimientos de otra persona. ¿Por qué la empatía es importante y / o beneficiosa? Incluya al menos 2-3 detalles específicos del texto para respaldar su respuesta. Luego, elija una de las instrucciones a continuación para compartir una experiencia personal que usted u otra persona mostraron empatía.

- Una vez fui intimidado
- Un tiempo que fallé y aprendí
- Un recuerdo favorito con un ser querido

Vocabulary/Word Study

This week we are going to work on crafting social media posts that demonstrate our understanding of the following terms. Choose two of the words below and create a “tweet” (160 characters or less) that would use that word as a hashtag. See the example below:

It's amazing how some people dedicate their lives to studying ways to improve life for others #scientists

Empathy

Distress

Bystander

Emotional state

Focus

Esta semana vamos a trabajar en la creación de publicaciones en redes sociales que demuestren nuestra comprensión de los siguientes términos. Elija dos de las siguientes palabras y cree un "tweet" (160 caracteres o menos) que usaría esa palabra como un hashtag. Vea el siguiente ejemplo:

Es sorprendente cómo algunas personas dedican sus vidas a estudiar formas de mejorar la vida de otros #científicos

Empatía

Angustia

Espectador

Estado emocional

Enfoque

Imagine Language and Literacy

Access Imagine Language & Literacy, an adaptive learning program, from your child's ClassLink account. Click here to [get started](#). Click here for [tips and fixes](#) for the program. We encourage your child to spend at least 30 minutes per week on the program.

Read, Read, and Read Some More!

Reading is the most beneficial thing your child can do this summer. We encourage students to read a variety of texts including novels, short stories, magazines, graphic novels, articles, and poems.

Math:

Interactive Learning Opportunity

Imagine Math/Think Through Math:

- Please sign in through [ClassLink](#).
- 3 lessons this week on your assigned pathway: Summer Pathway
- It is already assigned when you login! The program also includes an online tutor!
 - Site code: 4828740

Alternate Learning Opportunities

Dividing with Decimal Fractions

This week your student will be dividing whole numbers by decimal fractions and dividing decimal fractions by whole numbers. They will be using area models and applying what they know about the relationship between multiplication and division. It is important for students to have a firm understanding of place value and the language of decimal fractions (for example, 0.12 is twelve hundredths).

Origo at Home:

[Click here to take a virtual trip with our district through the Origo at Home option and hear some tips for navigating the site...or simply follow the steps below and explore:](#)

[Click to access Origo at Home Week 8](#)

Click the United States at the bottom of the screen.

Select Grade 5 at the bottom of the screen.

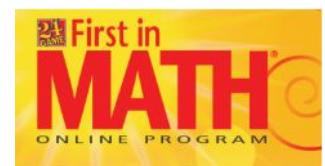

Click the green, **Week 8** button.

Fluency with First in Math:

→ Don't forget: You must access First in Math *through* [Clever](#) or [ClassLink](#).

- Practice Gyms -Decimal Operations
- Skill Sets
- Just the facts - Decimal Operations
- Play some games! - The bonus games are awesome!

Science:

For science summer enrichment, we are using an online educational game from Legends of Learning called Awakening to assist students in their understanding of science concepts. Legends of Learning is a research-based educational gaming company whose games are proven to have a positive impact on student performance.

Here is a short video that shows an older student playing. [Video](#)
Students will need to use their school email to log in.

STUDENT INSTRUCTIONS

THIS ASSIGNMENT IS LIVE!

*This assignment will be available to your students from:
NOW until 07/31/2020*

To have your students play this assignment now:

1. STUDENTS SHOULD GO TO LOGIN.LEGENDSOFLEARNING.COM TO JOIN
2. CHOOSE PLAY TEACHER PLAYLISTS, ENTER TEACHER CODE **GALLEM1** AND SELECT AWAKENING ASSIGNMENT
3. NEW PLAYERS WILL GO THROUGH **SET-UP AND TUTORIAL**
4. STUDENTS SHOULD FIND AND ENTER THE **TEACHER ASSIGNMENTS PORTAL IN BASE!**
